IMPORTANT – IF DRIVING, PLEASE READ!!

PARKING RESERVATION INSTRUCTIONS:

Please indicate your need for a parking space at when you register for the WAPLA caravan. A reservation will guarantee parking in the Second Street garage. **Reservations are honored ONLY at the Second Street garage. Parking at any other garage will require payment.** A specific space is not reserved. Do not park in special signed spaces such as reserved or handicap (unless a state issued disabled placard or accompanies the vehicle).

Take a garage ticket upon entry. We will provide you a swipe card for garage exit during the Law Expo. To exit the garage, insert the swipe card in the machine which will raise the gate.

Special instructions if the garage indicates FULL upon entry: Because a garage ticket cannot be issued, you will need to intercom the Cashier from the entrance gate and announce yourself as having a reservation by group name (Law Fair). Upon confirmation, the Cashier will program a garage ticket to be issued. After taking the ticket, the gate will raise so you can enter the garage to park. Bring this ticket with you to be exchanged for a swipe card when you sign in at the Expo.

The Student Union is across from the Second Street parking garage. There will be student hosts by the ground level exit to direct you to the Student Union.
